Academia

- 10/1975 – 09/1976 Studies in chemistry, University of Kaiserslautern
- 10/1976 – 06/1983 Studies in biology (Diploma), University of Mainz
- 1986 Doctorate (Dr. rer. nat.), Institute for Immunology, University of Mainz
- 1997 Habilitation (*The T-helper (Th) subtypes Th1 and Th2: Studies on the development of Th1 and Th2 cells*), appointment as university lecturer

Career

- 07/1986 – 09/1999 “Postdoc”/working group leader, Institute for Immunology, University of Mainz
- 10/1999 – 07/2003 Provisional head, Institute of Immunology, University of Mainz
- 2003 Extraordinary professorship, University of Mainz
- since 07/2003 Deputy head, Institute for Immunology, University of Mainz
- 2011 W2 professor for cellular immunology, Institute for Immunology, University of Mainz
- 2008 - 2012 Deputy leader of SFB TR52
- 2013 Leader of SFB TR52
