## Scholarship Application for Socially Active International Students, Doctoral Students and those affected by the Ukraine war

In 2023 the DAAD awards scholarships funded by the German Federal Foreign Office to high-performance students who are involved in international contexts. The funding is meant especially for international students and doctoral students that are socially active and support other international students during their start in Mainz. In addition, the scholarships can be used to support socially committed students and doctoral students financially affected by the war in Ukraine. The scholarships are granted for a period of **three months**.

**Application Deadline: June 19th, 2023**

**Scholarship amount:** 500.- euro/month

### Requirements:

- ✓ Enrollment or registration as an international students and doctoral student at JGU
- ✓ You are a foreign student
- ✓ Noteworthy involvement in the international context; particularly regarding the mentoring of other new students
- ✓ Special achievements in your studies
- ✓ You are receiving NO other scholarships

### Required documents:

- ✓ Signed and completed application form:  
<https://www.international-office.uni-mainz.de/scholarship-application-for-socially-active-international-doctoral-students/>
- ✓ Up-to-date enrollment or registration certificate
- ✓ Letter that describes your international engagement (max. two pages)
- ✓ Signed curriculum vitae
- ✓ Recommendation from member of staff at JGU concerning your engagement and achievements in your studies

You can submit the application in German or English. Please send your application via email (merged into one PDF file) or via postal mail to the sender's address.
