

Study schedule MSc Meteorology

Version 15.01.2011

Begin summer semester

Summer				Winter				Summer				Winter								
1. Semester			SWS	ECTS	2. Semester			SWS	ECTS	3. Semester			SWS	ECTS	4. Semester			SWS	ECTS	
Advanced Practical Training in Meteorology A (0/0/0/4)			4	6	Large-scale Atmospheric Dynamics (4/2/0/1)			7	11	Preparatory Module for the Master Thesis (0/0/8/0)			8	10	Master Thesis (0/0/2/0)			2	30	
Advanced Practical Training in Meteorology B (0/0/0/4)			4	6																
Met. Excursion (Semester break) (0/0/0/3)			3	3	Atmospheric Chemistry (3/2/0/0)			5	7	Seminar (0/0/2/0)			2	3						
Trace Gas Dynamics (2/0/0/0)			2	3						Obligatory elective subjects (2/0/0/0)			2	3						
Theory of Radiation (2/2/0/0)			4	6	Applied Radiation (2/0/0/0)			2	3	Obligatory elective subjects (3/1/0/0)			4	6						
					Modelling (3/2/0/0)			5	7	Application of Models (3/2/0/0)			5	7						
Current Topics of Atm. Research B (2/0/0/0)			2	3	Current Topics of Atm. Research A (2/0/0/0)			2	3											
Current Topics of Atm. Research C (2/0/0/0)			2	3																
Sum			21	30				21	31				21	29						

Explanation: (Lecture/Excercise/Seminar/Practical Course)
