

This information is intended for **international students**

How to get started: Bachelor Mathematics, Meteorology, Physics or Computer Science at JGU Mainz

1.

Get your German language certificate

depending on your German skills

- Upon applying online you need to hand in a proof of German language proficiency at level B 1 (intermediate level).
- To be able to start your studies you need a proof of German language proficiency at level C 1 (advanced level). Otherwise you have to take additional German classes at JGU Mainz.

More on German language requirements:

<http://www.studying.uni-mainz.de/german-language-requirements/>

A possibility to learn German in your home country are the Goethe Institutes: <https://www.goethe.de/en/index.html>

2.

Prepare your documents for recognition

12 weeks prior to online application deadline

- School leaving certificate detailing all subjects and grades
- if applicable result of higher education placement/entry test
- if applicable certificate or transcript of records for higher education undertaken

Documents need to be officially certified and translated (except when they are in German, English or French).

More details: <http://www.studying.uni-mainz.de/faq-for-recognition-validation-of-foreign-certificates/>

3.

Apply for recognition

8 weeks prior to online application deadline

- Fill in application form
- Attach documents (as detailed in # 2)
- Pay fee (60 €)

Application form and banking details: <http://www.studying.uni-mainz.de/certification-of-recognition-validation-of-foreign-certificates/>

Possible outcomes

- a. Preparatory class: You may attend preparatory courses. If you pass the exam at the end, you can start your studies.
- b. Direct entry: You can start your studies directly.
- c. Recognition denied: You cannot study at JGU Mainz. Please contact International Admissions for alternative options.

International student
= you have completed
secondary education
outside Germany; you
are a degree seeking
student NOT an
exchange student

application deadlines:

- Summer term:
March 1st
- Winter term:
September 1st

Sometimes the
recognition outcomes
contain a subject
restriction.

Please turn over.

4

Prepare documents for online application

4 weeks prior to online application deadline

Checklist of documents required: <http://www.studying.uni-mainz.de/checklist-of-required-documents/>

Do not forget to include the officially certified copy of the recognition results!

5

Apply online

application deadlines:

- Summer term: March 1st
- Winter term: September 1st

Application form:

<http://www.studying.uni-mainz.de/online-application/>

Make sure your application is in line with the recognition results and language abilities: preparatory class yes/no, preparatory language class yes/no, subject restriction (if applicable)
