---

---

Supervisor (1. Assessor): \_\_\_\_\_ (signature)

If the supervisor of the dissertation is not a member of the Faculty of Biology of the JGU, the application form has to be signed in addition by a full-time professorial member of the Faculty of Biology.

**“By supervising the above mentioned dissertation, I undertake to provide the doctoral candidate with guidance concerning content and organization as well as any questions relating to the dissertation. If necessary, I agree to act as a mediator between the doctoral candidate and the first supervisor.”**

Co-Supervisor (2. Assessor): \_\_\_\_\_ (signature)

With their signature, the first and second supervisors state their general willingness to participate in the procedure as assessors.

Doctoral candidates who write their dissertation outside the Faculty of Biology are requested to also state the Faculty of Biology as their affiliation beside the external institution with each of their publications.
