WELCOME TO THE TEAM OF EXPERTS RESEARCH DATA

Are you interested in, …

⇒ the requirements of funding programmes regarding research data?
⇒ storing your research data on a long-term and retrievable basis?
⇒ publishing your research data and making it available for reuse?

… and you are looking for the right contact person?

Our team consists of experts from different institutions on and off campus. Experts from the Research and Technology Transfer staff unit, the University Library, the Data Center and mainzed will assist you with questions relating to research data and digital methods.
